THE RESPONSIBILITIES OF NCIDQ-CERTIFIED INTERIOR DESIGNERS AND ARCHITECTS

NCIDQ*-CERTIFIED INTERIOR DESIGNER
Selection/specification, planning, procurement, and coordination of:
• modular systems, furniture, and movable partitions.
• Furniture, Fixtures, and Equipment (FF&E) specifications, bidding, and procurement services.
• interior finishes in compliance with applicable codes and regulations.
• graphics, way finding, and signage systems in compliance with applicable codes and regulations.
• artwork and decorative elements for the purposes of aesthetic and functional improvements to non-code-impacted interior environments.

ARCHITECT
• Coordination with civil engineers to place building, structural systems, utilities, roadways, parking surfaces, walking paths, and plantings on site.
• Coordination with landscape architects and designers for building landscaping.
• Design of overall building in compliance with applicable codes and regulations.
• Design of vertical circulation.
• Design of core and shell of a building.
• Coordination with structural and MEP engineers to select and locate building structural systems.

*NCIDQ is the National Certification for Interior Design Qualification. More information can be found at www.cidq.org.
